ENGAGING.

General Commission on the Status and Role of Women

## Ever Forward on our Journey

This September 18th, the General Commission on the Status and Role of Women marks its 50th anniversary in advocating for women in the life of the Church, leaving in its history a trail of incredible ministry programs and projects that have challenged the Church to achieve full and equal participation of women.

Parity Among Methodist Clergy

Resources for Celebrating 50th Anniversary

How Far We've Come and the Distance Still to Go

A central reason for the creation of GCSRW is to monitor how women can participate fully in the life of the UMC.
